MANILA FIRE LOSSES
GREATEST IN HISTORY

MANILA, March 2.—Fire losses in Manila during 1919 were the largest in the history of the city, amounting to \$10,773,000, according to the annual report of the fire department, made public today. The losses in 1918 amounted to \$6,500,000. The large increase is attributed to the fact that the fire fighting equipment has not kept pace with the growth of the city.

INTEREST IN
THE ILLINOIS
PRIMARIES

CHICAGO, April 13.—Those republicans of the state of Illinois who exercise a voters prerogative at the presidential primaries today will decide before nightfall whether their governor, Frank O. Lowden, or General Wood shall be their choice for nominee of the republican party in the November election. This will be the only contest of the primary that will be decided by a vote of the entire state. In seven of the 25 congressional districts, however, the contest for delegates to the Chicago convention promises to be hard fought. In these seven districts, candidates for delegates who indicated their intention of supporting Governor Lowden, are opposed by delegates who are recorded as having no preference, while in one district, the First, no avowed Lowden delegate is on the list. In the other seven districts, however, none but

Lowden men appear on the ballot. Contesting candidates for election as delegates are found in the Second, Third and Fourth districts, all of which are located in the City of Chicago, and the Tenth, Fifteenth, Sixteenth and Twenty-second districts, located outside of Chicago.

There are no candidates entered for presidential endorsement honors on the democratic side, governor Edward J. Edwards, of New Jersey, having withdrawn his name after it had been properly presented. The vote is expected to be larger than would ordinarily be the case in as much as the attorney general of the state has ruled that women will be permitted to vote in this primary.

The ballots upon which the women will mark their votes will be separate from the regular ballots. This is being done in order to make it a simple matter to throw them out, in case adverse rulings to the voting of women are received after the primary.

WHEN WALES IS
IN HONOLULU

HONOLULU, April 3.—(By Mail.) Elaborate preparations are being made here for the reception of the Prince of Wales, who, according to last advices, will reach Honolulu aboard H. M. S. Renown, April 13. The Prince is expected to spend forty-eight hours here before proceeding on his voyage to Australia.

The date of the arrival of His Royal Highness falls in Centennial week, when all Hawaii will be celebrating the hundredth anniversary of the coming of the first Christian missionaries.

When the Renown enters Honolulu harbor a United States fleet of thirteen vessels headed by the Brooklyn, flagship of Rear Admiral Henry A. Wiley, will escort a vast cortege of the British battleship.

Governor Charles J. McCarthy is planning a reception and ball in the prince's honor, while the chamber of commerce, British club and other Honolulu organizations are preparing programs for the entertainment of the heir to the British crown.

The city of Hilo, on the Island of Hawaii, also has extended an invitation to the prince of Wales to visit there and view the volcano of Kilauea.

UNIQUEMAJOR LEAGUES
OPEN SEASON
TOMORROW

(By Associated Press.)

NEW YORK, April 13.—Major league baseball teams swing into pennant action tomorrow with the formal opening of the 1920 season. Based upon the form exhibited in the spring training on southern diamonds, the sixteen clubs of the National and American leagues appear to be in excellent physical condition and baseball prophets forecast close races for the respective league flags as well as exceptional attendance and financial receipts due to the unusual interest in the game this year.

Eastern and western city clubs share equally in the allotment of opening dates. In the National League Boston plays New York while Philadelphia will make its initial appearance at Brooklyn. The Western division teams of the senior organization clash with Chicago at Cincinnati and Pittsburgh at St. Louis. The American League schedule calls for New York to open at Philadelphia; Washington at Boston; Detroit at Chicago and St. Louis at Cleveland. The initial return contests are set for April 22 when the order of the schedule will be reversed.

The games to be played in the National League tomorrow will inaugurate the 45th consecutive season for the senior major league for the organization dates back to 1876 when the Chicago club won the first pennant. The teams of that city still hold the lead for since 1876 Chicago clubs have captured eleven championships. Boston comes second with nine and New York third with eight. The American League will celebrate its 21st annual opening, having started its major career in the spring of 1909. Since that date the pennants have been distributed among four clubs, Philadelphia and Boston each having won six, Chicago five and Detroit three.

RUSSIAN GIRLS
HIDE ON SHIP

(By Associated Press.)

MANILA, P. I., Feb. 29.—(By Mail.) Two Russian girls who arrived recently from Siberia as stowaways on the transport Crook, escaped deportation today by marrying American soldiers of the 21st Infantry.

The girls, Olga Volonimayeva and Feodorakha Motha, dressed as American soldiers, boarded the transport at Vladivostok, and their identity did not become known until the ship carrying more than 1,000 officers and men of the 21st Infantry, was well on her voyage. When they attempted to land here they were taken into custody.

An hour before the transport Madawaska was ready to sail for Vladivostok, the girls were taken to the pier by officers of the immigration service who expected to start them on their return to Siberia.

While the party was waiting at the pier and a Filipino policeman was guarding the girls, Sergeant Moore, Durrant and Private F. Nall of the 21st Infantry appeared with marriage licenses and a Filipino minister who performed a double ceremony.

When told to get ready to embark the girls protested.

A crowd which had been attracted to the pier, cheered the girls as they refused to budge.

While the officer at the pier attempted to seek advice from the telephone from headquarters, the Madawaska pulled into the stream and started on her way to Vladivostok.

The immigration authorities decided to release the girls from custody and as they drove away with their American husbands, the crowd waved them a farewell cheer.

STOP TRADING IN
PACIFIC ISLES

(By Associated Press.)

PAPEETE, Tahiti, March 17.—(By Mail.) The colonial government of Tahiti has issued a decree forbidding the sale of liquor in bulk to natives on and after October 1 of this year. The sale of liquor in bulk is not prohibited, nor are the two social clubs at Papeete exempted from supplying their members.

The supplying of liquor of any kind to natives of all the islands outside of the island of Tahiti, it is said, has been for many years past prohibited. The existence of long term licenses has, however, prevented similar action in regard to Papeete and the main island of Tahiti.

CHURCH BUILDING MADE ENTIRELY OF ROSEWOOD

(By Associated Press.)

PAPEETE, Tahiti, March 17.—(By Mail.) A church building, a masterpiece of architecture, that comprises the southern part of the South Pacific, are built entirely of rose wood. Tahiti is reported on their temple here.

The furniture is made of the same rose wood which grows abundantly on the island.
